Important Notice

* This document does not claim the applicant as an employee of Middle Tennessee Infrastructure. Following the submission of this application, the potential employee should receive an email or a phone call within seventy-two hours. If the applicant does not receive either one of those types of communication within three days, the individual may call to verify their application status. Once an application has been approved by the company an in person meeting will be scheduled with a representative of the company to discuss the next steps of the potential employment, as well as to verify information on the individual's application. Potential dump truck drivers will be asked to give information of every previous employer within the past three years as well as contact information for the businesses. He/she will also be required to bring a copy of their health card and driver's license for a representative of the company to file. If the individual meets all of the needs of the required position, a mandatory urinary drug screen will be scheduled to be taken within forty-eight hours of the individual's inaugural day. If applying for a position of dump truck driver, he/she will be required to partake in a mandatory DOT drug screening which will include a urine sample as well as an alcohol breath test. An MVR will also be gathered by the company for the potential driver as well. In compliance with Federal and State equal employment opportunity laws, qualified applicants are considered for all positions without regard to race, color, religion, sex, national origin, age, marital status, or non-job related disabilities. If there are any more questions regarding the application or interview process, please contact Tristan Carroll at 615-624-3014.

* I hereby declare that all of the information listed within this application is accurate to the best of my knowledge. If any information listed above has been altered or tampered with, I understand that this could cause potential issues with the application process as well as have an effect on the potential employee's approval by the company.
